DEATH OF FORMER PASTOR.

Rev. John H. S. Ewell, of the Methodist Conference, died yesterday at Blue Ridge Summit, Pa., where he had gone for his health. His death resulted from tuberculosis, with which he had been suffering several years. Last May, just after the annual conference, he moved his family to the mountains in the hope that his health would improve. He was 42 years old, and came of a family of prominent ministers of the Methodist Church. His father was Rev. John E. T. Ewell, of Accomac county, Virginia, a prominent preacher in his day, as were also two of his brothers. Mr. Ewell's last charge was in Alexandria, he having been pastor of the Methodist Protestant Church for six years. At the last conference he was assigned to a charge in Harpers Ferry, but his failing health made it impossible for him to accept. Mr. Ewell was a graduate of Western Maryland College and Westminster Seminary. At the latter institution he met his wife, who was Miss Beke, of Kent county. Besides his widow he leaves two boys and one brother, Mr. A. W. Ewell, a prominent merchant of Crisfield, Md. The funeral will take place tomorrow from his home at Blue Ridge Summit. The remains will be taken to Crisfield for burial. Mr. Ewell was one of the most popular ministers ever stationed in Alexandria. While justly esteemed by the members of his own congregation, he was equally popular with those of other creeds, and his death will be sincerely regretted by all who knew him.

Mr. J. B. Trimmer will leave for Crisfield this evening for the purpose of attending the funeral which will be with Masonic honors. Mr. Trimmer will represent Old Dominion Commandery, Knights Templar, and Mount Vernon Chapter, Royal Arch Masons, of this city.

ASSAULTED AND ROBBED.

Emanuel Tavares, an Italian fruit dealer, fifty years old, who conducts a fruit and lunch shop at the extreme upper end of King street, was attacked by two negroes about 10:30 o'clock last night and unmercifully beaten and robbed. Tavares is now at the Alexandria Hospital. In his statement last night he says the men, who are described as mulattoes, each about twenty years old, came into his store and asked for 10 cents' worth of fruit. They tendered him a quarter. As he turned to open his money drawer they drew heavy sticks and dealt him several blows about the head and body. When he had recovered his senses the negroes were looting the store. Tavares started to get his pistol. This frightened the negroes and they fled through the rear door. Several shots were fired by Tavares at the fleeing men, and it is believed one of them was injured, although he kept running. Tavares later felt exhausted from loss of blood. He recovered, however, and went to the police station and told what had happened. Officers Knight and Hill subsequently arrested William Robinson, William McClure and George Peace, three strange negroes, who were brought into the Police Court this morning. No evidence was produced to connect them with the assault and robbery, but they were sent to jail for 30 days under the vagrant act.

LAST OF THE RUNAWAY.

The steam yacht Runaway, owned by Mr. Joseph Moore of this city, is being wrecked in the Duke street dock. The Runaway was brought to the Potomac several years ago from Baltimore by Capt. Henry Davis, who purchased her at public auction. Mr. Moore bought the boat from Capt. Davis and for a year or two after the burning of the ferry steamer Columbia the Runaway was used by her owner as a ferryboat between Alexandria and the navy yard at Washington, for the benefit of the employees of the yard residing in this city. The Runaway was built at Brooklyn, N. Y., in 1874, and for many years she belonged to the United States engineer service, and was employed in inspection work about the improvements and fortifications about Baltimore and the Patuxent river.

DEATHS.

Mrs. Janie E. Park, wife of Mr. P. B. Park, died at her home on North Fayette street last night. The deceased was a daughter of Mr. L. D. Lyles.

Mr. M. O. Morris, a former resident of this city, died last Sunday night at Strasburg. His remains were brought here at noon today and interred. Rev. J. R. Sevier conducted the funeral services. He was assisted by Rev. Luther Link. Mr. Morris was a Confederate soldier during the civil war. The deceased was at one time the railroad flagman at Cameron and Henry streets.

PREPARING FOR THE SEASON.

The receivers for the Washington and Potomac Steamboat Company have determined to spend a considerable sum of money on the properties owned by the company to put them in good order and to make the resorts as inviting as they have been in the past. The excursion park at River View will be put in order, and the hotel and property of the company at Colonial Beach and the steamers Queen Anne, St. Johns, and other steamers of the Washington and Potomac fleet will be put in thorough repair for the summer business.

THE NEW LIQUOR LAW.

A well-known King street merchant in speaking of the Byrd law the other day, said: "I am heartily in favor of the protection of game, but I cannot see how they have mixed the Byrd law with the whiskey business. There must be some mistake."

CORPORATION COURT.

[Judge L. C. Barley presiding.]

The criminal docket of the court was pretty well cleared this morning. A large crowd assembled to hear the trial of the cases set for today. The results were as follows:

Com. vs. Frank E. Parker, charged with grand larceny in having stolen a boy; appeal from a justice's decision; jury and verdict of guilty and prisoner sentenced to serve 60 days in jail and to pay a fine of \$10 and costs.

Com. vs. Frank E. Parker, charged with grand larceny in having stolen a coil of cable wire; jury and verdict of not guilty.

Com. vs. Edward Drown, charged with breaking and entering a slaughter house in the night time and committing larceny therein; also charged with the larceny of a coil of cable wire; also charged with feloniously and maliciously shooting Thomas J. Schneider on the highway on Tuesday, February 11. The prisoner withdrew his plea of not guilty previously entered, entered a plea of guilty and was sentenced to serve one year in the penitentiary for the first offense; one year in the penitentiary for the second offense and four years in the penitentiary for the last-named offense, making six years in all. To this was added five years for the reason that Drown has heretofore served a term in the penitentiary, so that his sentence aggregates eleven years in prison.

Com. vs. Fred. Hicks, indicted with Drown in all the above-mentioned cases, withdrew a plea of not guilty and entered a plea of guilty. On account of his age, Hicks being but 17 years old, he was sentenced to serve four years, or until he reaches manhood, in the reform school.

This ends the highway robbery and assault case, Wilbert Cook, the third man in the case, having been tried last week and sentenced to serve one year in jail and to pay a fine of \$5. It will be remembered that on the night mentioned Mr. Schneider, of Fairfax county, while on his way to his home from this city was attacked by the three men on Shooter's Hill and shot and dangerously wounded. He has, however, since recovered.

Hicks was represented by Mr. Howard W. Smith and Parker by Mr. Edmund Burke. Drown had no counsel.

ELKS' CARNIVAL PRIZES.

The drawing of the trips to Europe, Atlantic City, and Dallas, Tex., offered by the Elks indoor carnival, recently held at Armory Hall, under the auspices of Alexandria Lodge, No. 758, Benevolent and Protective Order of Elks, took place last night in Armory Hall in the presence of a large gathering of members of the order and their friends. The tickets were drawn by Mr. Hubert Snowden, and the successful parties were as follows: Trip to Europe, valued at \$200, won by J. T.weeney, 805 Duke street, who held ticket No. 26872; trip to Atlantic City, valued at \$100, won by F. Klein, of Washington, who held ticket No. 32790; trip to Dallas, valued at \$50, won by St. Elmo Davis, 420 North Alfred street, who held ticket No. 14027.

ALLEGED ASSAULT.

George Jones, colored, was arrested last night by Officers Talbot and Garvey, on a warrant sworn out by a colored woman named Nelson, whom she charged with assaulting her and also of robbing her of \$2. The alleged offense occurred at a cook shop at Fish town yesterday morning. Jones was given a hearing in the Police Court today. The woman stated that she was alone when the offense was committed, and as no conviction could follow on her unsupported testimony, the charge of assault was dismissed, but Jones was held for a further investigation of the charge of robbery which will be held next Monday morning.

POLICE COURT.

[Justice H. B. Caton presiding.]

The following cases were disposed of this morning:

William Robinson, William McClure, and George Peace, all colored, arrested as suspicious characters and vagrants, were sent to jail for 30 days.

Milton Langley, a boy, charged with using a handcar of the Southern Railway, was dismissed with an admonition.

George Jones, colored, charged with assaulting and robbing Marden Nelson, colored, was held on the latter charge. The first was dismissed. His case will come up on Monday morning next.

ENGINE DERAILED.

About 11:30 o'clock this morning, light engine No. 1220, while backing up near Bealeton, was derailed from some unknown cause and overturned, seriously injuring the fireman, C. E. Eheart, and fracturing the right arm of Conductor H. C. Lewis. The injured men were brought to this city where they received medical attention. Traffic on the division was suspended for several hours.

REMAINS FORWARDED.

The remains of the late Colonel John W. Fairfax were forwarded to Leesburg this morning from this city by Mr. B. Wheatley. The remains were placed in a private car which contained the members of the family of the deceased. The interment took place shortly after the arrival of the W. & O. train.

The Roasting of Coffee

Is by far the most important step in the preparation of the coffee to the table. This cut represents our roasting and milling outfit. Here the coffee is brought in direct contact with the flame, destroying all germs, hence to the suction cooler, which in two minutes drives into the center of every roasted bean the essential oils; after which it is delivered to the stoner. Thus we remove all substance foreign to our coffees, all chaff, stones, etc., and complete this entire process in twenty-five minutes.
